

COUNTY CONVENTION
MEETS HERE MONDAY

EVERY TOWNSHIP CLUB IN
COUNTY WILL SEND
DELEGATES

MAIN QUESTION

Will in All Probability be That of
County-to-County Campaign.
Meets at 11 a. m.

The Anderson County Democratic
convention will meet Monday morn-
ing at 11 o'clock in the court house.
The convention will be called to or-
der by the chairman, Mr. S. Dean
Pearman after which a temporary
chairman will be elected and the con-
vention organized. Delegates from
the 57 clubs in the county will be
present.

Probably one of the most interest-
ing questions that will be brought
up will be that of abolishing the coun-
ty-to-county campaign. Very prob-
ably a resolution will be introduced
calling upon the convention to send
a delegation to the state convention
instructed to vote for abolishment of
this custom. Although this matter
did not receive attention at many of
the club meetings, it will very likely
cause much debate on the floor of
the county convention.

Another matter that will come up
for attention will probably be a res-
olution endorsing President Woodrow
Wilson's administration. Several of
the club meetings passed resolutions
of this kind.

The leading question before the
county conventions, two years ago
was that of tightening up the pri-
mary, and this was the cause of long
debates and much heated discussion.
The main question this year instead
will in all probability be that of the
county-to-county campaign, and will
also very likely be the main issue
at the state convention.

WIDELY KNOWN YOUNG
MAN DIED SUDDENLY

THOMAS LELAND CATER HAD
ACUTE ATTACK DILA-
TION OF HEART

FUNERAL 4 P. M.

Was Thirty Years of Age and Su-
perintendent Anderson Ma-
chine & Foundry Com-
pany.

Mr. Thomas Leland Cater, super-
intendent of the Anderson Machine
& Foundry company, died very sud-
denly at his home No. 433 Green-
ville street yesterday morning at 7
o'clock at the age of 30 years. Mr.
Cater had been suffering with dilata-
tion of the heart for the past two
years, and an acute attack yesterday
morning was the cause of his death.

The funeral services will be held
at his late home this afternoon at 4
o'clock, conducted by Dr. W. H.
Frazier, pastor of the First Presby-
terian church. Interment will be made
in the family plot at the First Pres-
byterian church yard.

The following will be the active pall-
bearers: Messrs. Ned Prevost, Bal-
ley Poole, Murray Bailey, Sam Ham-
monds, Victor Caudle and Hampt
Wigington, the latter three of whom
were co-workers of Mr. Cater's in
the foundry. All of the remaining
employees of the Anderson Machine
& Foundry company, including Mr.
Wigington and the office force, will
act as honorary pallbearers.

For the past several days Mr.
Cater had been suffering with a pain
around his heart and on Saturday
morning when his mother called him
for breakfast he told her that he
was not feeling well and that he
would remain in bed for awhile. He
decided to get up for breakfast but
did not go to the foundry and went
back to bed. Later he asked for a
doctor and his brother-in-law, Dr.
W. F. Ashmore, was summoned.

When Dr. Ashmore came, Mr. Cater
told him that he believed this at-
tack would be fatal and asked him to
do something quickly. A few min-
utes afterwards he died, being con-
scious until the last moment.

Mr. Cater was the son of the late
Thomas M. Cater, who died about 27
years ago. His mother, Mrs. Susan
Lizzie Burris Cater, and five sisters
survive. The sisters are: Mrs.
John M. Hubbard of Anderson, Mrs.
Clair E. Humphreys, Live Oak,
Fla., Mrs. W. Frank F. Ashmore of
Anderson, Mrs. Sara G. Moore of
Barnwell, Mrs. L. M. Brown of West
Union. His only brother, Mr. Milles
Cater, died 12 years ago in Florida.

Mr. Cater was one of the most
widely known young men of the city
and was well liked. His sudden
death yesterday was mourned with
sorrow by hundreds of people in this
city. Of a bright and pleasing dis-
position, the young man had made
many friends and was liked by all
who knew him. The position he
held with the Anderson Machine
& Foundry company was a responsi-
ble one. He was liked by all of
his co-workers, and Mr. Wigington
had the utmost confidence in him.

SALE WAS SUCCESS

Ninety-Four Building Lots Disposed
of Yesterday.

The auction sale yesterday after-
noon of lots in the northern part of
the city, these to be occupied by
homes of colored people, was a grand
success, all of the 94 lots be-
ing disposed of, the total sum paid for
them amounting to approximately \$5,-
000.

The sale was conducted by the
Bodenhamer Auction company of
Greensboro, N. C., for Kennedy and
Alexander of this city.

CADETS RETURNED
CLEMSON COLLEGE

LEFT ANDERSON YESTER-
DAY AFTERNOON OVER
BLUE RIDGE AT 5 P. M.

WAS SUCCESSFUL

Many Believe Encampment This
Year Far More Successful
Than One Last Year

The Clemson cadets returned to
Clemson College yesterday afternoon
leaving Anderson at 5 o'clock. They
marched in a body to the old Blue
Ridge passenger station and there
took the train back home. There
were no drills yesterday morning, the
time being spent in packing. They
were allowed leave of absence from 11
o'clock a. m. to 4 o'clock p. m., and
spent this time down town or in the
city visiting friends.

Company A under Capt. Banks gave
an exhibition drill on the Anderson
College campus yesterday morning
between 8 and 9 o'clock, this being
done for the students of the college.
The students enjoyed the exhibition
very much and were glad of the op-
portunity of seeing it.

With the cadets gone, the memory
of their week's stay in Anderson will
always linger, not only with them but
also with the people of the city. The
encampment this year was perhaps
more successful than the one last
year, and many of the boys were
heard to say that they had enjoyed
it more.

CAPACITY CROWDS AT
FIRST PERFORMANCES

ANDERSON CHAUTAUQUA
HAD VERY AUSPICIOUS
OPENING YESTERDAY

MONDAY'S PROGRAM

Consists of Concerts by Weather-
wax Brothers and Wood's
Famous Demonstrations.

The Chautauqua Chautauqua opened
its third annual season in Anderson
yesterday afternoon at 3 o'clock, the
large tent being crowded to its fullest
capacity. From the attendance of
the opening matinee, it seems that
more interest will be taken in the per-
formances this year than ever be-
fore.

Mr. O. E. Beheymmer, superinten-
dent of the Chautauqua here, made a
short introductory speech yesterday
afternoon. Mr. Beheymmer came to
Anderson yesterday morning, hav-
ing come from Jacksonville, Fla.,
where he has been for the past week.
He is a graduate of Harvard and his
official position is district superin-
tendent. However, he will be the
superintendent in Anderson.

The Killarney Girls.

The first number on the program
this season consisted of a concert by
the Killarney Girls, introducing in-
strumental music and songs. They
appeared in Irish costumes before a
settling which was very appropriate.
The Irish songs ranged from simple
folklore to the Irish classics, the
rendition of all of which evidenced the
fact that the company was composed
of real artists. The readings of Miss
Rita Fish, leader of the company,
were thoroughly enjoyed. The audi-
ence yesterday afternoon was a
very enthusiastic one and showed
their approval of the opening con-
cert.

William Rainey Bennett.

The program last evening opened
with a concert by the Killarney Girls,
after which William Rainey Bennett
delivered a lecture, entitled, "A Man
Who Can." The theme of the lec-
ture was that the man who thinks he
can do a thing can do it, and that in
every brain there is a sleeping gen-
ius if it can only be awakened. The
lecture was very interestingly deliv-
ered, full of wit, and the large audi-
ence was much pleased.

Monday's Program.

The program on Monday afternoon
will consist of a grand concert by
the Weatherwax Brothers, after
which Montreville Woods will give
his lecture, "Popular Science De-
monstrations." In this he will de-
monstrate.

Another concert will be given
in the evening after which Montreville
Woods will lecture on some of the
biggest inventions of the day. He
will demonstrate the world's new
radio, which responds, sends,
showing on the stage how it works.
Other strange inventions will also be
demonstrated, the entertainment be-
ing one of the best of the entire Chau-
tauqua. Mr. Woods is one of the
world's greatest inventors, having
over 100 to his credit, among them
being the push button lighting sys-
tem.

DR. FRAZER WILL LECTURE

At Willford School Next Thursday
Evening.

Dr. W. H. Frazer will give his
humorous lecture at Willford school,
Thursday evening, May 4, at 8 o'clock.
The public is cordially invited. A
small fee will be charged.

McCants School.

After a very successful term, the
McCants school closed, April 22 with
a picnic. Messrs. J. B. Feiton, E.
C. McCants of Anderson, John Hor-
ton, A. R. Campbell, Albert Fant,
Smith Gambrell and J. B. Watkins of
Belton gave talks, which were in-
teresting and helpful. The school
was taught by Miss Etile Maddox of
Hones Path. She has been re-elected
for the next term.

OUR NEW SPRING LINE

Of Men's Clothing is the best we've ever owned. The styles
are niftier, the qualities better and the workmanship and makes
finer.

\$15, \$20 and \$25

are the prices, and they are the best prices that anyone could consis-
tently quote on clothing possessing the same merits. A look and a
try-on will not obligate you to buy. On the other hand, it will open
your eyes to the fact that style for style, quality for quality and
price for price P. & B., clothing is just a bit ahead of anything you'll
find hereabouts.

SMART STRAW HATS

We do not claim that this is the only
store showing straws, but you'd have to
travel some to find hats so thoroughly
distinctive at the prices—

\$1.50 to \$5.00

Smart ideas—and exceptionally good hats
for the money.

NEW EMERY SHIRTS

And we are told every day, time and
again, that our shirts are the smartest,

RAPS "TWILIGHT SLEEP"

It's Anesthetic Not Successful, Doc-
tors Are Told.
Brooklyn Eagle.

In a paper on "Things Previously
Known," dealing with the alleviation
of pain in childbirth, and read at a
meeting of the Homeopathic Medical
society of the County of Kings last
night, Dr. W. Fawcett Shaw stated
the opinion that scopolamin, the
"Twilight Sleep" anesthetic, was not
successful when used by American
physicians, and had better be laid
aside.

At the meeting, which was held at
the Kings County Medical Society
Building, at 1313 Bedford Avenue,
two papers were read in the Bureau
of Diseases of the Chest, of which Dr.
W. S. Rind is chairman. One of
these was "Pleuro-Pneumonia, with
Emphysema," by Dr. H. O. Rockefeller,
and the other, "Pneumonia and
Pleurisy, with Special Reference to
the Diaphragm," by Dr. Robert Low-
ell Wood, who described his own
case in his paper. Dr. William L.
Heave was elected to the society.

Small Fire Yesterday.

The fire department was called out
yesterday afternoon about 4 o'clock
to extinguish a blaze which had start-
ed in the kitchen of the Piedmont
cafe. The floor under the stove
had caught fire, but the blaze was
extinguished before much damage
was done.

surely combine the note of
becomingness with effective
color blend and contour.

Hats that show the imprint of art—the skill of designers
of a high order. Large, medium and small.

Why take a chance when it is so easy to buy a Hat that
is correct.

WHAT OTHERS THINK OF COLLEGE HEIGHTS

MRS. A. G. MEANS says:

"Accessibility—to Anderson College; healthful and sanitary loca-
tion with freedom from objectionable surroundings make of it one of
the best all round suburbs of the city," and Miss Gertrude Wallace
says: "It's near enough to Car Line—yet far enough out to be restful
and to insure pure air."

You'll never go wrong by following the advice of these good ladies.

JAS. P. KINARD, JR.

(Who knows—because he lives right there), says: "The view is
peaceful; scenery beautiful; natural advantages for artistic gardening"
are great.

That young man knows what he's talking about—He's viewed it
every day for the past twelve months—All are sorry he's going to
leave our midst.

Now, Young Man, take the advice of Keith Prevost and George Bailes: Go out to the College Heights' grounds at 4 o'clock tomorrow, Monday, May 1st (which is
the time and place selected for giving away the Ford which we've been using for advertising purposes during the past few days) and Bodenhamer will again give you
the opportunity—to buy the pick of the field at your own price. The terms, we'll make to suit—even if its just \$25.00 down and \$5.00 or \$10.00 per lot—

Yours very truly,

FRANK & DeCAMPS REALTY CO.

KEITH PREVOST says:

It's a good place to raise "better babies."

Now there's no wiser guy in town than Keith, and furthermore,
he'll always back his judgment. He's right now offering his hand-
some Calhoun street residence for sale with the view of moving to
College Heights where those fine babies of his may grow up under the
refining influence of that institution which is the price of all good
Andersonians—irrespective of creed.

FRANK PADGET says:

"It's elevation insures pure air, and commands view of magnifi-
cent expanse of rolling country; easily accessible to both city
and interurban lines; situated between the two national highways.
All advantages of city combined with quiet of country. People
seeking educational advantages should locate here. Neighborhood
of handsome homes."

This description certainly fits the place. Frank will make a good
"Realistater."

GEORGE BAILES says:

"The Moral surroundings are the best and that you'll never regret
the price you pay for a lot there."

Everybody who knows George will tell you his judgment is good.
His Phenomenal success in business has proven it.
